Miriam Elaine Grasz Field

Noted events in her life were:

- She resided at 957 E. Walnut Ave. in Nappanee, Elkhart County, Indiana in 1918.¹³³ Miriam was born in this house.
- Church Affiliation: Nappanee First Brethren Church, Bet 1918 and 1938, Nappanee, Elkhart County, Indiana.¹³⁴ Miriam began life attending the Nappanee First Brethren Church, the church of her parents. Not much is known about the church activities of her parents other than that they were faithful life-long members of that church. Miriam no doubt attended at the insistence of her parents. Upon marrying Howard she became a member of the Nappanee Methodist Church of Nappanee, Indiana. From various comments by Miriam her involvement with the Nappanee Methodist Church was a positive one. As she was an outstanding organist she was the organist of this church. It is not known if this was a paid position or not. She attended Sunday School classes and her first two were sons baptized in that church. After moving to Turlock, California, she and Howard transferred their membership to the Turlock Methodist Church. They were very active in that church and made many lasting friendships with other members. At some point Miriam became the official organist of the Turlock church. Whether she was paid for this service or not she enjoyed doing it. She would attend choir practice in the middle of the week and play on Sunday.

Following the move to Fresno she soon became the official organist of the St. Paul's Methodist church there. She was also active in what was known as women's circles and other organizations associated with the church. She taught Sunday School for sixth grade kids at one point. This was less than a positive experience. She was not a trained teacher and most likely did this because no one else would. Her son Eugene was in her classes and he remembers her having a tough time controlling the sixth grade boys of the class who no doubt were way more interested in the sixth grade girls than the Sunday School lesson for the week. She did not last long as a sixth grade Sunday School Teacher.

Her church attendance continued after the move to Kingsburg, California. As was her usual pattern she soon became the church organist. It can be said with certainty that her church attendance and loyalty was tied to her organ playing. This position lead to her eventual disdain for organized religion. At some point the Kingsburg Methodist Church decided that an new organ was needed. A \$40,000 instrument was purchased and installed and Miriam was set to make heavenly \$40,000 music. The wife of the minister very quickly informed Miriam that even though she had 12 years of piano and organ lessons, played the cello for a while, had experience in four previous churches with complete success, was the organist for a funeral home in Turlock and was qualified to play the less than \$40,000 organ of the Kingsburg Methodist church... she was in fact just not qualified to play the new \$40,000 organ! In complete humiliation and very hurt feelings she left the Kingsburg Methodist Church never to return.

From comments made by Miriam, it is certain she retained a basic belief in God. She would make comments like, "I talked to the Man Upstairs," and asked for this or that. But as far as having any desire to go to church it was ended with the organ debacle. Church attendance for Miriam was very much tied to the pleasure of music.

- She resided at 356 W. Market St. in Nappanee, Elkhart County, Indiana from about 1930 to 1938.¹³³ Miriam was born at 957 E. Walnut St., Nappanee, Indiana. At some point before 1930 the family moved to 356 W. Market St. Her mother died in this house in 1931. She became the organist for St. Paul's Methodist Church in Fresno and also for a time the organist for the First Methodist Church of Fresno. When she moved to Kingsburg in 1973, she then became the organist for the Methodist Church there. At some point the Kingsburg Methodist Church purchased a \$40,000 organ. The wife of the minister of the Kingsburg Church told my mother that she was not qualified to play an organ of that quality. Her feelings were deeply hurt and she never played professionally again. This was a tragedy because she was an outstanding musician with years of training and experience. She was more than qualified to play the \$40,000 organ.

Howard Allen Field

Noted events in his life were:

- He was baptized Nappanee Methodist Church in Nappanee, Elkhart County, Indiana.¹³³
- Nickname: Hod, Hodge.¹³³ Lucie and Gene attended Miriam Field's 56th class reunion at Ron's Bakery in Nappanee, Indiana, in 1997. We were standing in line to get our food and a man walked up to me and said, "Hod Field!"
- He resided at 901 Oak St. in Valparaiso, Porter County, Indiana in 1911.¹⁴⁶
- He had a residence before 1927 in Cooks Corners, Valparaiso, Porter County, Indiana.¹³³
- He resided at 805 Market Street in Nappanee, Elkhart County, Indiana from 1927 to 1966.¹⁴⁷
- Church Affiliation: Nappanee Methodist Church, Bet 1927 and 1945, Nappanee, Elkhart County, Indiana.¹³³ Howard could be described as a quietly religious man. He attended church faithfully most of his life. Not much is known about how he felt about religion in his younger years. His parents were not avid church goers. He joined the Nappanee Methodist Church sometime in high school and from that point on was an active member of the Methodist Church where ever he lived. At various times he taught Sunday School classes mainly for adults. He attended Bible study classes and did much volunteer work for the churches of which he was a member.

He was most active in St. Paul's Methodist Church in Fresno, California. At the peak of his church work the minister of the church was Rev. Thomas P. Krumpe. Howard had great admiration for Tom as a person and as a pastor. Tom's wife was Geraldine and she was the perfect pastor's wife. Howard and Miriam were close personal friends of Tom and Geraldine even long after they move on from the Fresno Church.

Howard was on various boards and committees of the church. He was a lay minister and would give the sermons when the pastor was away. He organized many functions for the church. One comical incident happened as the result of a dinner he helped organize. There was much preparation leading up to the dinner and of course the work of the

Descendants of David Frymire

actual dinner. As the cleanup committee was finishing up it was very late at night and he made the decision to leave the silverware soaking in water with Clorox in it over night and he would return the next day to wash the utensil. When he returned the next morning the Clorox had dissolved the plating off the silverware and it was totally ruined. He was pretty distressed over this.

He insisted that his sons and wife attend Sunday School and Sunday Services on a regular basis. For the most part they complied. There is no record of the point when John and Pody stopped attending church but Eugene attended faithfully well into his college years. By that time there was a new pastor, Rev. Tom Lundy. He was not as dynamic nor as charismatic as Rev. Krumpe but Howard was loyal to the church and so to Rev. Lundy as well. Eugene's last day attending Sunday Services at St. Paul's Methodist Church, or any church after that, was when, during a typical sermon contrasting good and evil Rev. Lundy made the amazingly unsubstantiated claim that, "...the reason the dinosaurs became extinct was because they were evil!" Eugene stood up and walked out of the church completely disgusted at such ignorance and has rarely attended a church service since. This reaction by Eugene mortified his mother Miriam.

Howard continued to be a faithful Methodist even after Miriam, who was an amazingly talented musician, was informed by the wife of the pastor of the Kingsburg Methodist Church that she was not qualified to play the new \$40,000 organ installed in the church. Howard would attend alone on Sunday mornings and continued this activity until late in his life. If there is a Heaven he is no doubt there.

- He worked as a printer at the Nappanee Advance-News from about 1927 to 1945 in Nappanee, Elkhart County, Indiana.¹³³ Howard began working as a printer some time while in high school. His parents owned the Nappanee Advance-News. Several of his siblings worked there as well. His parents had bought the newspaper in 1927. The eventual plan was that when Harvey and Marie retired Howard and his brothers would take over the business. One by one the children moved into different jobs. Les moved to Marion to open a shoe shop. Myrtle married and began raising her family. Glen moved out of Nappanee and into different jobs.

By 1945 Howard was married and had two children and his wife Miriam was pregnant with their third child. This is how Howard told the story. In the summer of 1945 he was earning \$25 per week. He had a growing family and was making house payments. The money just did not stretch far enough. He asked his father for a raise to \$60 a week. According to Howard his father's answer was, "No man is worth \$60 a week." That was devastating to Howard who returned home to tell Miriam that he had decided to quit working for his father and move as far away as he could get. He found a job opening at the Turlock Daily Journal being advertised in the journal of the Typographical union. He contacted the paper and was offered the job.

The house was sold and an auction was held to sell much of the family possessions. The family celebrated John's first birthday in the home of Floyd and Hazel Grasz and the next day drove out of town in the Lincoln Zephyr and headed for Turlock, California.

Howard began work at the Turlock Daily Journal and for some reason did not like the job. He was ready to quit after three days and move on when a man named Bus Schaller offered him a job as a printer at a small job shop at the west end of Turlock. Howard worked there for three years and then began working for the Modesto Bee. After coming back to Turlock from a trip to Indiana, the first one back since leaving, he found himself on the sub list and not as a full time employee. The boss told him that if he went to Fresno Bee he would have a much greater chance of working full time. So in the fall of

Descendants of David Frymire

1950 Howard began working at the Fresno Bee. He worked there for a few weeks while the family prepared to move from Turlock to Fresno. In October of 1945 the family moved to Fresno and Howard worked at the Fresno Bee until 1976 when he retired.

His job at both the Modesto Bee and Fresno Bee was in the composing room. Basically he set the type for advertisements. In the beginning of his career type was set by typing on a linotype machine and hot melted lead was molded into lines of type. These would then be set into forms to make up the pages of the paper. Before the end of his career things changed to the point that the pages of the paper were being created on computers. The key board of the linotype machine had a different arrangement than a standard keyboard so Howard took a night school class in typing to learn to type on a standard typewriter keyboard. Much changed in the world of newspaper production during his career and he kept up with the changes.

Howard was never a person to complain. He just did his work and kept quiet. However, he did make a statement one time that pretty much revealed how he felt about his job. In affect he said, "A man is not supposed to like his job. It is just a means to make money to support his family."

- He graduated from Nappanee High School in 1929 in Nappanee, Elkhart County, Indiana.¹⁴⁸
- He resided at 155 Metzler St. in Nappanee, Elkhart County, Indiana between 1938 and 1945.¹⁴⁹

- Church Affiliation: St. Paul's Methodist Church, Bet 1950 and 1972, Fresno, Fresno County, California.¹³⁸ While a member of this church he was a lay minister.
- He worked as an a printer for Harold G. "Bus" Schaller's Print Shop between 1945 and 1948 in Turlock, Stanislaus County, California.¹⁵⁰ When Howard first moved to Turlock, California, he worked at the Turlock Daily Journal. He had that job lined up before he ever moved from Nappanee, Indiana. He started working at the Turlock Journal and did not like it and quit after just three days. A man working there as a machinest asked him to work as a printer at his shop near the presnet intersection of Main Street and Lander road. The man was Harold G. "Bus" Schaller. Howard worked there for three years before going to the Modesto Bee. While working for Bus Schaller he was asked to work three days in Patterson at the Patterson Irrigator. Many years later his daughter-in-law, Anne Healy Field worked there as the office manager.
- He moved from Fresno, Fresno County, California in 1973 to Kingsburg, Fresno County, California.¹³³ In the fall of 1973, they lived in an apartment in Selma while they built the house in Kingsburg.
- He worked in the composing room at the Modesto Bee as an advertisement layout man from 1948 to 1950 in Modesto, Stanislaus County, California.¹⁵¹

- He enjoyed golf, photography, genealogy, antiques, playing cards, camping and hiking and sports of all kinds.¹³³ Howard had many hobbies and activities that gave enjoyment to his life. Golf was his life long passion. He started playing golf as a young man while living in Nappanee. His father played and so did his brothers. He took the sport seriously and was a better than average amateur player all his adult life. Throughout his life he played as often as he could. He played in many tournaments and won several trophies. He was proud of his golf skills. Before leaving Indiana he and his friend Bob Wasson were seriously looking into the possibilities of opening up a miniature golf course. At that time (mid 1940s) that was a very popular form of recreation. He and Bob had land picked out and they even bought the clubs for the pending business. Then he moved to California and I can remember having miniature golf clubs every where for the rest of his life. He loved golf so much that in the late 1960s he bought a lot on the Kings River Golf course. In the early 1970s he and Miriam built a home on the course and that is where he lived in his retirement. He loved living there and played golf as many days of retirement as he could. One thing he loved to do was tee off from his front yard at times when there were no other players on the course. He loved playing with two of his sons, John and Pody. When his grandson Victor, was old enough he would take him out on the course and taught him to play golf as well. Howard played even when he was dying of cancer and played right up till nearly the very end of his life.

Howard did have other hobbies he liked. He always liked photography. This was a hobby that grew out of his work in the newspaper business. His photography hobby really took off with the introduction of the Argus C3 35mm slide camera. His father bought one and showed it to him on a visit to California from Indiana. Howard bought one and took photos for years with it.

He also liked to refinish furniture, especially antique pieces. He had many projects over the years. This led eventually into a business he and Miriam had later in their lives. Sometime before he retired he and Miriam started selling antique collectibles and small pieces of furniture. They would take trips to Indiana to visit family and while there buy items they knew would sell for more money in California. Today his son Eugene owns several pieces of furniture that he refinished. One is a Hoosier Kitchen cabinet that was built at the Coppes, Zook and Mutchler of Nappanee, Indiana. As Howard was refinishing the Hoosier he realized that there was a signature on the back. It turned out to be that of Claud Minor who was the uncle of his sister's husband.

When Howard was young and his sons were of the right age he liked to take them camping and hiking. He was the Cub and Boy Scout Master of troops in Turlock and Fresno. It was when he was Boy Scout Master of the St. Paul's Methodist Boy Scout Troop that he did most of his camping and hiking. He would take the scouts on camping and hiking trips and also his family.

Howard was also an avid sports fan. When he was young he played baseball and basketball. He told me he did not grow early in high school so he was small for sports but by the time he was a senior he was playing sports. He loved to watch sports on TV from boxing to football. He liked to attend the local Fresno baseball farm team summer games. He never missed a game his sons played. His sons John and Pody were excellent basketball players and he loved nothing more than watching them play. He and Miriam also faithfully attended the Bing Crosby ProAm golf tournaments played on the Monterey, California, area golf courses.

- His obituary was published in the Elkhart Truth on 6 December 1988 in Elkhart, Elkhart County, Indiana.¹⁵³

 - He traveled to Tallahassee, Florida and back to California with Anne Healy and Alan Moe in September 1967.¹³³ The purpose of this trip was to take Anne to Tallahassee where she was going to college and to see the Grasz grandparents before going off to Australia for an indefinite time.
 - He traveled to Australia on the P. & O. Liner the Himalayan on 26 October 1967.¹³³ This was a 28 day voyage across the Pacific Ocean to start life in Australia.
 - He traveled to the Flinders Ranges, South Australia, Australia in April 1968.¹³³ This was an Easter vacation trip while he was working at Westminster School. He went with Don Holmes and a university friend. It was the dustiest trip he was ever on in his entire life. He never did get the red bull dust out of his VW Bug.
 - He traveled to Western Australia in September 1968.¹³³ This was a delayed Honeymoon trip. He and Anne drove their VW Bug onto a freight train in Port Pirie, South Australia and boarded a passenger train. When they got to Kalgoorlie, Western Australia, their Bug was waiting for them with its windows washed and ready to go.
 - He traveled to Victoria and Canberra, Australia in September 1969.¹³³ This was a spring vacation trip to Victoria and Canberra, Australia. Sharon Bourquin was with them and Lucie was a very small child. They also went to Bright, and Mt. Buffalo, Victoria. One night they stayed in a small caravan (trailer) and the bed Sharon slept on was about as wide as an ironing board and Gene Lucie and Anne slept on the eating table.

- He traveled to Cedar Breaks, Utah with Sharon Bourquin in June 1971.¹³³ This was a trip to escort Sharon Bourquin to a ranger job in Cedar Breaks, Utah. It was a beautiful place to work for the summer. It was so hot in Las Vegas their 7up cans exploded.
- He traveled to Indiana with Miriam Field in June 1976.¹³³ This was a special trip to introduce Lucie and Victor to their greatgradparents, Floyd and Hazel Grasz and also so that Miriam (Gene's mother) could witness her parents seeing their great grandchildren.
- He traveled to Colorado with Kurt to get Kurt's belongings in August 1981.¹³³ Kurt and Gene had become friends and spent the summer painting houses. Kurt decided to move to Colorado for his senior year and live with his mom. His mother came to see him and had taken a lot of his belongings to Colorado earlier in the summer. The night before he was ready to leave to get there in time to start school a large group of his classmates gave him a going away party. He realized he did have friends in Patterson and decided he did not want to go to Colorado. Kurt and Gene drove to Colorado, picked up Kurt's belongings and came back to California in time to start school at Patterson High School.
- He traveled to Colorado to get Kurt in June 1982.¹³³ Kurt's mother came to Patterson for his graduation. Then he drove her back to Colorado. Gene flew to Denver and stayed there a few days and then he and Kurt drove back to California. Kurt had a Vega and something was wrong with the thermostat and the car had to be driven across the desert with the heater on and the windows open. They headed for Idaho where it was much cooler.
- He traveled to the South Pacific with Kurt between June and August 1987.¹³³ Kurt's mother had promised him a ticket to anywhere in the world he wanted to go when he graduated from Cal Poly. He had a girlfriend and their plan was a trip to Europe. That spring Kurt and Gene spent Easter vacation in Baja, California. They did not have enough time to go to the very tip, Cabo San Lucas. When they sadly turned back north Gene commented that on their next trip they would make it all the way to the tip. It was at that point Kurt said, "Next time it will be the South Pacific." That had always been a dream of Gene's. Before the following summer Kurt had broken up with his girlfriend and so he and Gene made plans to go to the South Pacific. The trip included Taihati, Rarotonga, New Zealand and Hawaii.
- He worked as a Chief Clerk for Martha Miller at Tuolumne Meadows Lodge from June to August 1988 in Yosemite National Park, California.¹³³ Coming home from Death Valley with an exchange student from Sweden they stopped at Tuolumne Lodge. Martha asked Gene what he was doing that summer and he said not much. Martha offered gene the job of Assistant Manager and Chief Clerk. He said yes in about 2 seconds. He worked there the summers of 1988 and 1989.
- He worked as a Chief Clerk for Martha Miller at Tuolumne Meadows Lodge from June to August 1989 in Yosemite National Park, California.¹³³ This was his second year back after having been gone since 1971. Things had changed so much. Gene's life had changed and even though it was a good experience it is true, it is hard to go back.
- He traveled to Australia with Kurt from June to August 1990.¹³³ This was an awesome trip. Gene and Kurt left the day school was out and got back the day before school started. Brutal. They saved enough money to buy a car in Australia. They bought a little green Honda Civic and it did them well. They paid \$6300 for it and sold it for \$5700 and got 8,000 miles out of it. They bought the car in Sydney and drove to Adelaide. Then north to Darwin and east to Cairns and back to Sydney. They saw many of Gene's old Australian friends and a lot of new

country.

- He traveled to Hawaii with Janet Morris from December 1989 to January 1990. Gene and Janet stayed first in the Pioneer Hotel in Lahaina, Maui. A wonderful old hotel. Then they went to Kauai and stayed at the Waimea Plantation Resort.
- He traveled to Hawaii at Christmas with Lucie and Victor from December 1991 to January 1992 in Hawaii.¹³³ This was a great trip with Lucie and Victor. Victor was just out of high school and Lucie was in college at Cal Poly. The three of them went to the island of Hawaii and stayed in Kona, near Captian Cook, Hilo, Waimea and Hawi. One of the highlights was seeing the lava flow on Mauna Loa in the dark.
- He traveled to Indiana with Lucie in July 1994.¹³³ This was a short trip because of Lucie's work schedule. It was brought about because he realized that not only had his father died but also several of his siblings and their spouses. Gene contacted Mary Field Clouse and told her they were coming. It takes very little for Mary to plan a family reunion and she organized one for the park in Middlebury, Indiana. It was so hot that day and even rained. It was the first reunion the family had had for some years and many showed up.
- He traveled to Australia with Lucie and Anne from June to August 1995.¹³³ This trip came about as a result of Lucie and Gene actually planning to go to Costa Rica and do a language study. Anne had the same idea so they had decided to go together. One December evening Gene was talking to Lucie on the phone and he said that he would love to be driving between Adelaide and Darwin, Australia, right then. Lucie's comment to Gene was, "Lets do that this summer." She said she was tired of studying and it would be more relaxing to go to Australia and just travel than to do a language study. So they told Anne they had changed their minds and if she wanted to go with them she could. They rented a camper van and drove from Sydney to Adelaide, up to Darwin via Alice Sparings, over to Cairns and back to Sydney. A wonderful trip.
- He traveled to Hawaii with Lucie, Paul Murietta and Libby.¹³³
