Descendant Report.....	2/3
Sources.....	22/23
Index.....	38/39

The first page number refers to the page number at the bottom of each page. The second page number refers to the page number as listed by Adobe Reader. When searching for an individual refer to the index at the end of this document. If you use the Adobe Reader search function, search either by first or last name because Family Tree Maker inserts a generation number after the first name of an individual and will not find a full name.
